POWDER COAT COLORS: Slight variations in color may occur between powder coat lots. Although West Porch attempts to minimize these variances, they do occur and must be accepted as normal and will not be considered defects.

DELAYS: West Porch's order acknowledgement will state a shipping date which West Porch best estimates at the time the order is acknowledged. However, West Porch shall not incur any obligation or liability to Purchaser for failure to ship by specified date unless West Porch has agreed to an unequivocal, firm shipping date in a separately signed written document executed by its authorized personnel at its head office. In addition, West Porch shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgments where such delay, failure, loss or damage is the proximate result of any act or any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, act of enemies, delay or default in transportation, strike disputes among or between labor unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of West Porch, whether of the class of causes enumerated or otherwise. Without limiting the generality of the foregoing, West Porch may, without causing breach or incurring liability, allocate goods which are in short supply, irrespective of the reasons therefore, among purchasers, in any manner which West Porch, in its sole discretion, deems advisable.

SUSPENSION: In the event that the Purchaser defaults in the payment of any sum due to West Porch, or in the event the Purchaser's financial condition becomes unsatisfactory to West Porch, West Porch shall have the right to defer or discontinue shipment of any goods until such time as the default is cured or the Purchaser provides assurance of payment to West Porch.

SHIPMENTS: West Porch will fulfill delivery of the product(s) by arranging for a carrier to transport them to you. Freight is calculated on an F.C.A. basis, with all necessary export documentation and compliance requirements completed to allow the product(s) to leave Canada for delivery to the United States, if required. Unless otherwise requested by the purchaser and confirmed in writing by West Porch, delivery will be made via dock-to-dock transport. The purchaser is solely responsible for all delivery and shipment costs, including, but not limited to, additional shipping fees, rerouting fees, and waiting charges.

STORAGE: In the event Purchaser requests postponement of delivery beyond the scheduled shipping date after the goods have become work in progress, or at the time when West Porch is then about to make shipment, West Porch may transfer the goods to storage for Purchaser's account and at Purchaser's risk and expense. Such transfer to storage shall be deemed delivered to the Purchaser for all purposes, including invoicing and payment.

CLAIMS: All goods are sold F.C.A. plant. West Porch is not responsible for damage which occurs in transit or in storage. The carrier signs for all goods received in apparently good order. It is the Purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier for losses or damage to the product occurring during transit, including concealed damage. Any claims made against West Porch for apparent defects, errors or shortages must be made by the purchaser in writing within 10 working days after any delivery. Failure by the Purchaser to do so shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

INSTALLATION: West Porch requires the use of a certified installer when installing West Porch's products and systems so as to avoid any installation misrepresentations and/or unnecessary delivery and installation claims. The Purchaser assumes full responsibility for the attachment method of countertop surfaces, which were not purchased as part of a complete cabinet assembly. Failure to secure the countertop surface capable of supporting the load capacity listed may result in property damage and/or personal injury. The Purchaser agrees to indemnify and hold harmless West Porch, its affiliates, subsidiaries, officers, directors, employees and shareholders (collectively "West Porch") from and against any lawsuits or threat of lawsuits and all liabilities, direct or implied, claims, proceedings, actions, causes of action, damages, losses, costs and expenses, including, without limitation, legal fees whatsoever which West Porch may suffer or incur as a result of fulfilling your product order.

RETURNS: No returns of goods will be accepted without written consent and shipping instruction of West Porch. Special order items are in no event subject to return. All returns must be approved and authorized in writing by West Porch Customer Service. West Porch reserves the right to refuse delivery of any unauthorized returns.

TOLERANCES: All dimensions must be limited by a specified tolerance. When not specified it is understood that West Porch's normal tolerances and standards shall apply. Standard layout tolerance is $\pm 1/8"$ per cabinet. When the purchaser has submitted his own plans and/or specifications, West Porch will not be responsible for the design and fitting of parts. The conforming of West Porch products to the specified tolerance is sufficient evidence as to the correctness of the product. Standards of finish, quality and appearance shall, unless specified in writing, be the normal standards of West Porch.

DESIGN: Designs and specifications are subject to change, discontinuance or additions without notice.

OFFER OF SALE: Possession of this terms & conditions or any other literature shall not imply West Porch's willingness to sell the holder and shall not be construed as a direct offer of sale. If a conflict arises between: (i) prices found in software support packages furnished to the customer by West Porch or by any other source on behalf of West Porch; and (ii) West Porch's current printed price lists, then the most current shall prevail.
